**Subsequent response to Office Action Summary**

Sir:

I want to thank you for the assistance in this patent process your advice has been greatly appreciated.

I have complied with the suggestions noted in the "Office Action Summary" dated 07/31/2006, of which lists the below items to be corrected and thus to "distinguish patentably over the art of record in this application." I have annotated the examiner's suggestion below for the examiner's convenience;

**"The following claim 11 is drafted by the examiner and considered to distinguish patentably over the art of record in this application and is presented to applicant for consideration."**

I have (currently amended) claim 11 to reflect the examiner's suggestion. I have cancelled claims 12 through 14.
